Frequently Asked Questions

1. What are the main changes that will be in place from September?

There will be a few changes in place, I have highlighted the main ones below:

Yes. You will be able to socialise with your friends within your year group at lunchtime. There will also be an opportunity for you to go outside to a designated area to get some fresh air.

6. What time do I finish school?

Y7 – 2.30 (Red)

Once students have left the building, it is important that you leave site immediately. You will not be permitted to wait on site for a friend or family member from another year group. Any meeting up with other students will have to be done off the academy site.

7. Will I need to wear my uniform?

Yes. All students will wear the academy uniform as normal. No adaptations of the uniform will be needed.

8. What rooms will I be taught in?

This will be different depending on your year group. It will also be different from previous years.

Y7 – Bottom of Red Corridor

Y8 – Green Corridor

Y9 – Yellow Corridor

Y10 & Y11 will rotate between classrooms on specific days. This allows our GCSEs classes to still access specialised classrooms needed to complete their GCSE specifications.

9. Will I still be doing all my subjects?

Yes. We have worked hard with all departments to make sure each subject will be on offer. There may be so small restrictions in specific subjects due to health and safety requirements.

10. How do I order my lunch online?

From September, the academy will be cashless and you will no longer be able to top up your account with cash in the academy. There will be one machine to check your balance, but your parent/carer will need to top up their ParentPay accounts online to pre-pay for your school meals. If your parent/carer does not already have a ParentPay account, or are unable to top up online, please ask them to contact the school office, who will be able to help. There will be a mobile phone app for you to use to pre-order and pay for school meals (further details will be sent out prior to September opening).

11. What toilets will I use?

A specific toilet block has been allocated to every year group. We will go through this with you when you return in September.

12. What do I do if I'm worried or anxious about September?

Email your Head of Year or Raising Standards Leader or send an email to the following email address (wellbeing@ormistonhorizonacademy.co.uk) and a member of staff will contact you and agree a support plan. Please remember, it is perfectly normal to be a little nervous about returning.

13. Do I have to wear PPE?

No – students nor staff will not be wearing PPE in September. The DfE guidance indicates that school staff and pupils should not wear PPE, (except where it would usually be worn and where first aid situations mean 2m cannot be adhered to). Research is suggesting that gloves in particular make contamination worse. If social distancing routines are adhered to and the risk assessment is followed, PPE is not considered necessary.

Masks and gloves will only be needed where a first aid situation arises where a 2m distance cannot be maintained (low probability).

14. Will extra-curricular clubs be taking place?

Yes. Extra-curricular is really important to us as an academy and we know how much you love taking part in different events. A specific extra-curricular timetable will be in place for each year group to ensure 'bubbles' do not cross over.

15. I am worried that I have forgotten some of the work why we have been off school, what will school do to support?

A very natural concern to have but please do not worry. We will be investing a lot of time in to the curriculum and ensuring students go back through previous learning. We have also appointed some new teachers that will have the job of working with certain groups of students to support their learning.

16. Will I have a locker?

In the first four weeks, no students will have a locker. Unfortunately, there is too much risk of crossover between students. We will monitor this carefully and puts some plans in place after the initial opening period. If you already have a locker you will be contacted over the coming weeks to come in and collect your belongings.

17. Will teachers be able to mark my exercise books?

Yes. It is really important that you get feedback so you can improve. Teachers will do 'live marking' in lessons. Some departments may encourage to complete your homework through Microsoft Teams or another online platform.

18. Will we need to wash our hands during the day?

Yes – this is really important. Hand sanitiser stations are now in each classroom and are also in the restaurant and Theatre. You will be encouraged by all staff to clean your hands throughout the day.

19. Will we be having assemblies?

Yes - but they will be happening remotely through Teams or Zoom and you will take part from your PT classroom. We do not intend on having fully year groups in the Theatre.

20. How long will all this be in place for?

We don't really know, it could be six weeks or it could be longer. There will be some real positives that we can take from this that will help us improve our academy.
