Dear Parent/Carer

We are fast approaching the start of the Year 11 GCSE Examination series. In order to maximise your child's potential the academy would like to make you aware of the extra sessions that are available for your child during the half term break.

The sessions will run from 10am until 1pm (unless otherwise stated) and will focus on a range of subjects to support your child. The academy has run these sessions in the past with great success and would like your support in enabling your child to achieve their full potential. The sessions are as follows:
