

SJM/NPM

5 February 2018

Dear Parent/Carer

To celebrate Science week which runs from 12th to 16th March, the Science department have arranged for Year 8 and 9 to visit **The Big Bang Fair 2018** at the NEC in Birmingham on Thursday 15th March 2018.

The Big Bang Fair is the largest celebration of science, technology, engineering and Maths (STEM) for young people in the UK. The fair is an award-winning combination of exciting theatre shows, interactive workshops and exhibits and careers information from STEM professionals.

Students attending the visit will leave the academy at 8:45am and will return at approximately 4:00. The cost of the visit is £7.00 which includes transport and entry to the fair.

Students are required to bring a packed lunch or money to purchase lunch and snacks. A packed lunch will be provided if your child is entitled to free school meals.

Students will be required to wear full academy uniform. Students will need to arrive at the academy at 8:30am ready to meet in the restaurant before departing for the trip. We will return to the academy at around 4pm.

There are a limited number of places for this visit which will be allocated on a 'first come first served' basis in receipt of payment on ParentPay. In addition to this, we will also consider student behaviour around the academy before allocating a place.

Please complete the consent form below and return it to Miss Morrey in lab 4 as soon as possible.

Yours sincerely

S Morrey

Miss S J Morrey
Head of KS3 Science
