Year 11 Essential Parents' Revision Meeting

Dear Parent/Carer

As we get closer to the beginning of the GCSE exams and as we enter the final few months of Year 11, we would like to invite you to an essential meeting concerning the crucial examination period.

As they prepare for their final examinations, we are aware that many of the students ask for support with their revision, and that many parents and carers feel uncertain about how they can best support and help their children in this process. Parents and carers are in a unique position to influence the academic success of their children. They set the stage for positive behaviours with regard to learning, and importantly, serve as emotional supports during stressful times of studying.

To support you in this process we would like to invite you to attend an information evening delivered by academy staff with expertise in English and Maths. These members of staff will share subject specific advice and guidance for students and parents in order to maximize their potential in the upcoming examination period.

This Parents' Revision Meeting will take place on Thursday 26th April from 5:30pm until 6:30pm where advice, strategies, revision techniques and tips will be shared that may help during this crucial period.

Tea, coffee and a hot meal (Pie and Chips) will be provided from 5pm.

We would strongly urge you to attend this evening. Please complete the reply slip below confirming your attendance and return it to the academy as soon as possible.

Yours sincerely

M Lawrence

Mrs M Lawrence
Head of Year 11 Intervention
