Dear Parent/Carer

We are fast approaching the start of the Year 11 GCSE Examination series. In order to support the expert subject teaching, examination preparation and maximising your child's potential, the academy would like you to be aware of the '**12 Hour Revision Challenge**' that has been set for all Year 11 students. This is to encourage them to complete at least 12 hours of revision across the Half Term break. Subject teachers will provide students with revision resources and they also have access to a vast range of online resources and accounts such as Hegarty Maths and Educake Science.

To further support the students in the '**12 Hour Revision Challenge**', and more importantly, their preparation for the upcoming examinations, there will be a number of support sessions running throughout the break. The sessions will run from 10am until 12pm and will focus on key examination content and controlled assessments. The academy has run these sessions in the past with great success and would like your support in enabling your child to achieve their full potential. The sessions are as follows:

18 th Feb 2019	Monday	10.00am - 12.00pm	Religious Education
