## Boxing Enrichment

On Wednesday 5th June, some Year 10 students took part in a boxing enrichment opportunity after school. The students were coached by John Cosgrove, an experienced boxing and fitness coach. After the session, John said "I was shocked how talented the lads were; we will be taking it up a level in the next few weeks and they were a credit to the Academy".

The following students took part: Daniel Thompson, Leon Edwards, Harry Cartwright, Rhys Maxfield, Dylan Stubbs, Jayke Dean, Nathan Lightfoot, Cole Tomkinson, Lewis Jackson and Greg Gwilt-Littlehales.

## Healthy Eating Week

It has been National Healthy Eating Week in the Academy. Students have taken part in a number of healthy eating and life style activities during personal tutor time to discuss key areas of staying healthy. In the restaurant, students have had access to a 'Smoothie Bar' and students have also collected tokens towards a prize for every purchase of a fruit, vegetables or other healthy food options. In Food lessons, students have been creating and finding out about different healthy dishes, which increase their fibre intake or count towards their 5-a-day. Lots of students have also got involved in the 'British Nutrition Foundation's' initiative 'Challenge Yourself' whereby they've tried to increase their consumption of healthy food, endeavoured to get more active, get more sleep, drink more water and tried to ensure they're eating breakfast. In KS3 English lessons, students have also been producing persuasive leaflets, persuading young people to maintain a health lifestyle.

## Summer Fayre

Our annual Summer Fayre will be taking place on Saturday 29th June from 12pm—4pm. There will be a range of different activities, stalls and refreshments. We would like to ask for donations of any unused bottles, chocolate and gift sets. Please hand in any donations to main reception; we would like to thank you for your continued support. Please contact Mrs Marshall or Miss Bailey at the Academy if you would like to book a pitch for the car boot sale or a stall selling items such as baked goods, crafts and gifts for a small booking fee.

## Hair & Beauty Taster Session

On Wednesday 5th June, Ms Shaw (Head of Year 8) took six Year 8 students who had chosen Hair and Beauty as an option for September to Maple Court Residential Home for a taster session. The trip enabled the students to experience working in a salon environment and gain an insight into their chosen option and possible career path. The girls were eager to get involved and gained early knowledge of the Hair and Beauty industry. The experience also included how current curriculum subjects such as Maths and Science reflect into the course. All the girls thoroughly enjoyed the session and are very excited to get started in September. Many thanks to Vicky from Honeycomb Hairdressing for her time and skills. Mr Fitzgibbon also came along to see some of the session.

## The Head's Lines

This week we said farewell to our Year 11 and our final Year 13 cohorts. It is always emotional saying goodbye to students who have worked so hard and experienced so much during their time at the academy. We would like to wish all our leavers the very best of luck in the future and also remind them that they will always be part of our OHA Family.

A big thank you to all the dads, carers and grandads who were able to attend our Father's Day Lunch on Thursday. As always, it is fantastic to have so many parents in the Academy. We believe that events like this make OHA such a special place. Well done to our amazing catering team for a delicious range of range of food.

A reminder that Year 10s start their mock exams in earnest on Monday 17th June. It is important that these exams are thoroughly prepared for and all revision now, can be used again next year.

Finally, a big thank you to Mrs Heath (Academy Exams Officer) for her wonderful organisation and smooth running of all the external exams over the last five weeks.
