

27th January 2020

Dear Parent / Carer,

At Ormiston Horizon Academy, we are continuously striving to ensure the best for our students and as such, we have reviewed the provision and publication of homework. We have taken the decision to move away from Show My Homework in order to secure stronger levels of engagement with students. This will be with effect from 31st January.

In the short term, students will be provided with homework cards in which they will write a record of tasks set by teachers and dates due. These will be presented on desks in PT time every morning and Personal Tutors will check these on a weekly basis. We encourage parents and carers to have conversations with our students about the homework they have been set. During the course of the next few weeks we intend to share an update of the platform which will replace Show My Homework.

In anticipation of your support,

P Lea

Mrs P Lea
