Dear Parents and Carers

Re: Year 10

Thank you for completing the online questionnaire and confirming that XXXX will not be returning to the academy. I know this has been a difficult decision to make and in many cases you have been guided by family situations.

If for whatever reason, your circumstances do change in the coming weeks and you decide that you would like XXXX to return to the academy over the coming weeks, please contact Mrs James (njames@ormistonhorizonacademy.co.uk) and we will do our best to include you in our provision.

I have also included a short video that will show you the measures and adjustments that we have taken to ensure the academy is as safe as possible for our students and staff. If you have any pastoral issues that you would like to discuss, please feel free to contact Mrs Smith or Roberts for further information. We will continue to call on a regular basis and will be on hand if you need anything.

As mentioned previously, 'Home Learning' will be continuing throughout this period and it is more important than ever that all students continue to engage in this. If you have any queries about the work, please email the teacher directly and they will be back in touch.

Thank you for your continued support and I look forward to working with you again in September.

Yours sincerely

Mr A. Fitzgibbon

Principal
