

Dear Parents and Carers,

You will be aware that, as a part of your child's educational experience at OHA, we aim to promote personal wellbeing and development through a comprehensive programme of Personal, Social, Health and Economic (PSHE) education that gives young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive, and fulfilled lives, both now and in the future. Your child will also take part in lessons which will focus on Relationships and Sex Education (RSE) in line with Government Guidance.

RSE is part of our PSHE education programme which is taught throughout the school and is monitored and reviewed regularly by the staff and governing body. For more detail about our PSHE curriculum offer, please visit the school's website: [ormistonhorizonacademy.co.uk](http://ormistonhorizonacademy.co.uk) where you can access our curriculum overview and our Relationships and Sex Education policy. All teaching in PSHE takes place in a safe learning environment and is underpinned by our school ethos and values. A variety of opportunities are provided for pupils to ask questions in order to prepare them for relationships in the modern world.

As a school community, we are committed to working in partnership with parents. We would like to take this opportunity to invite you to complete a questionnaire as part of our **Parent Consultation**, this is an opportunity for you to voice your opinions and discover how you can best support your child by discussing these topics at home.

The **Parent Consultation process** will close on **Wednesday 21<sup>st</sup> July 2021 at 3pm**. Please follow the link below to access the questionnaire – within this there are links to key documents that you may wish to read:

Yours faithfully,

Miss L P Nield
